"My mixtape is composed of all the emotions I have encountered while making this project. The message that I'm trying to send is my art at what I'm doing to make it in this music industry." Pimpin Change explains. Adding, "I wanted an array of songs to give the overall different feelings I received while making this project. You might ask why the 'Art Of Pimpin' because this is my emphatic testimony of different zones I go through on a day to day basis ups downs but I look at all still trying to pimp my own change."

Pimpin Change is no stranger to life's hard lessons, which has taught him to be triumphant when obstacles are placed in his path. He has beaten the odds and he has prevailed. His charismatic personality exudes swagger and he has gained the respect of Rap fans from Texas and beyond. He was influenced by rappers such as Z-Ro, Pimp C and DJ Screw. Combining an immense amount of raw talent and amazing showmanship, Pimpin Change is destined for greatness.
