## **Captivating Texas Rapper Pimpin Change Strikes With New Single "Hop In The Wip"**

**FOR IMMEDIATE RELEASE** // Rap juggernaut Pimpin Change continues to put his stamp on the Rap game with his laid-back confidence and boastful attitude. Part of what makes him so intriguing is his ability to connect with the listener. His home state of Texas equipped this rising rapper with the experience, knowledge, and wisdom to tell stories with no shortage of heat, honesty, and heart. The dynamic rhyme slinger has music running through his veins.

Today, the aspiring southern rhymespitter drops his brand new single "Hop In The Wip" via indie label Country Dreams Entertainment. The laid-back and radio-friendly song is available now on Spotify and all online retailers including iTunes, Apple Music, Amazon Music, Tidal, Deezer and more.

"The whole concept of my new single 'Hop In The Wip' is basically just to hop in the car and go, get away from life for a minute and just enjoy it. When I'm feeling like this, I have to get away for a little bit!" Pimpin Change explains.

Every time Pimpin Change steps into the booth his goal is to create timeless music that resonates with the masses. His catchy lyrics, powerful stories and masterful delivery make him one of the most sought after rappers around. Influenced by southern Hip-Hop heavyweights such as Z-Ro, Pimp C and DJ Screw, Pimpin Change brings a fresh new sound to urban music, which has been long overdue.

Look out for his new single "Hop In The Wip" on Spotify!
